Vase

Design by  
Anne Hirvonen

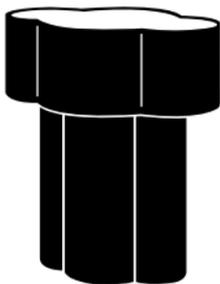

With its strong visual style, timeless shapes, and elegant proportions the Fab Vase from talented Finnish designer Anne Hirvonen was the winning entry in the Northern Design Award 2022.

Combining traditional glass blowing techniques with innovative new ideas, every vase is truly unique thanks to the natural patterns that occur within the glass when mouthblown into the mould.

Care and use  
instructions

## Warnings

1. Indoor use only.
2. Be careful when unwrapping the product, not to damage the surface.
3. Place the vase on a smooth and solid surface.
4. Do not overfill the vase to avoid spillage.
5. To avoid condensation under the vase, we recommend to fill with room temperature water or use soft pads.

## Cleaning instructions

1. Clean using a soft, dry cotton cloth.
2. If a deeper clean is required, a cotton cloth moistened with lukewarm water or glass cleaner can be used. Always wipe with a dry cotton cloth to remove any residue.
3. Avoid applying strong cleaning agents as it may damage the surface.
