

# Into

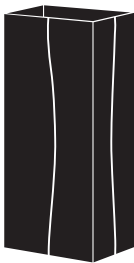

Design by  
Morten & Jonas

The Into Vase is a truly multi-functional home accessory you won't want to live without. This smart and striking centrepiece transforms its use depending on your everyday needs.

Made from pressed steel, and available in several colours, Into can be used both as a vase for displaying your favourite flowers, or simply rotated on to its side to become a serving tray for fruits, nuts and berries.

## Care and use instructions

### Warnings

1. Indoor use only.
2. Be careful when unwrapping the product, not to damage the surface.
3. Place the vase on a smooth and solid surface.
4. Do not overfill the vase to avoid spillage.
5. To avoid condensation under the vase, we recommend to fill with room temperature water or use soft pads.
6. Wipe dry the inner surfaces after use.

### Cleaning instructions

1. Clean using a soft, slightly dampened cotton cloth.
2. Avoid strong cleaning agents as it may damage and leave stains on the material.
